Trish,

Here are OGC comments (from me since Angela is in a meeting). My biggest concern is to make sure that folks understand when the tolerances would actually expire since that essentially represents when the exposure starts to decline.

Thanks,
Erin

Subject: Chlorpyrifos: Administrator briefing memo
Importance: High

Good morning, all –

In preparation for Monday's briefing with the Administrator, OPP is providing the attached briefing memo in addition to a separate slide deck. We asking for a quick, high-level review of the attached memo (5 pages, 14 font) before sending it to Mike and Ed this morning. Please provide comments by 9:30. My apologies for the quick turnaround, OPP has been moving to respond to the Court's order issued on April 29, 2021.

Please let me know if there are any questions.

Many thanks,
Trish
